Aphelia Student Connect
by Technuf LLC

Aphelia

One-stop solution for parents, students, teachers, and schools/institutions to ensure smooth enrollment to the programs and child safety through tracking and notification.

Easy Enrollment & Safe Payments Collection

✓ **Customizable forms** to meet specific needs;

✓ Client-specific brand elements (**flyers**, **logos**) for a personalized touch;

✓ Facilitate **waitlist** enrollment when programs reach maximum capacity;

✓ **Flexible payments** via multiple payment methods;

✓ **Recurring billing** cycles and automated payment collection;

✓ Detailed **transaction history** & **refund** capabilities.

Child Safety: Attendance Management

✓ Easy, intuitive **check-in and check-out system**;

✓ Enhanced security with **parent's electronic signatures** at pickup;

✓ **Pickup & absence requests** managed via parent web;

✓ **Daily attendance reports** available to administrators and parents.
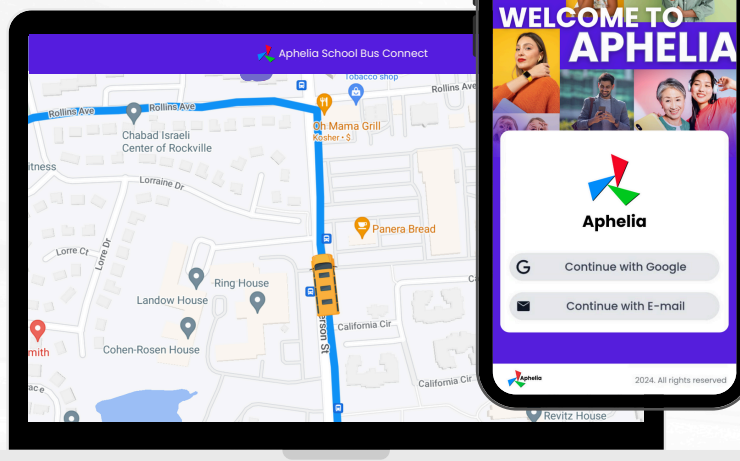

Real-time Bus/ Vehicle Tracking

✓ Monitor **school bus movement** and coordinate efficient pickups;

✓ Optimize route planning to **enhance safety** and **reduce travel time**;

✓ Real-time **pickup and drop-off alerts** to parents via SMS & parent web.

Integrated Secure Communication

✓ Broadcast **text messages** to parents/participants. Supports **one-on-one texting** as well.

✓ **Send/Schedule announcements** visible in the parent/ participant web immediately.

✓ Send **personalized emails** to parents.

✓ Contact list is **pre-populated** from registrations; **eliminates hassle** of importing contacts between platforms. Always in Sync.
